

## 7.1.5 - Green campus initiatives include:

7.1.5.1 - The institutional initiatives for greening the campus are as follows:

1. **Restricted entry of automobiles:-**The vehicles owned by faculty or students with driving license and Helmet are permitted into the campus for safety purpose.For two wheelers or four wheelers, security measures are mandatory.

2. **Use of Bicycles:-** The students staying in college surrounding are using bicycle to go from home to college and vice versa. Students coming from nearby villages also prefer bicycle as a mode of transport for attending the college. It is environment ecofriendly and prevents pollution.
3. **Ban on use of Plastic:-** College campus is polythene free. The use plastic items such as plastic bottles, bags, spoons, straws and cups are banned completely and awareness is created among staff and students through orientation and display boards in the premises. To restrict the use of plastic, measures have been taken to replace plastic tea cups and glasses with steel glasses in the college. The staff and students are noticed to use steel or copper water bottles instead of plastic bottles.
4. **Pedestrian friendly pathways:-**College are provided Vehicle parking space at the main entrance of the campus. College campus is vehicle free with some exceptions for the comfort walking in campus. The campus internal roads are lined with trees and solar street lights and they are properly maintained by the college maintenance committee.
5. **Landscaping with trees and plants:-**Different kinds of plants are planted with green zone area in the college campus.The lawns and the trees provide shade and beautiful ambience.Care of trees and lawns is taken to develop and maintain green landscaping by trained gardeners and supervisor.The college authorities are taking initiatives to make the campus paperless. Campus most of internal communication, through e-mail , e-messages and WhatsApp Group, is driving towards paperless office.Library and examination sections are equipped with efficient software.
