Promotion of Research Culture:

The IQAC meets regularly to plan, direct, implement and evaluate the teaching, research, and publication activities in the College.

Due to these efforts and motivation by Principal, Faculty is found to be more inclined towards research. It is evident from following aspects. In 2017-18 there were 25 faculties with PhD, 19 faculties are research guides, 4 no of faculties pursuing Ph.D. 2 no of ongoing minor research projects. 256 no papers published in referred Journals. This is the output of efforts put forth by IQAC in institutionalizing the promotion of research culture.

IQAC had planned and executed various quality assurance strategies after the second cycle of accreditation in 2016 such as conducting regular meetings of IQAC, collection and analysis of feedback on curriculum and overall performance of college followed by action taken report on it, promotion of research, culture, Preparation of AQAR, conduct of academic audit, infrastructure development, conduction of Certificate courses, organization of bridge courses and remedial classes, ICT enabled teaching, etc. Two examples of institutional reviews and implementation of teaching learning reforms facilitated by the IQAC are as under.
